We couldn't be more honored to be a part of the fabric of this community and for all the amazing contributions from supporters like you. **In 2024, we hope to have some exciting news to share about our future vision for our organization and how we can take our contributions to this community to new heights. We have big aspirations and are hoping you will be a part of helping us achieve our goals.** Our immediate objective is to raise \$50,000 by December 31, 2023. As a 501c3 nonprofit, we depend on donations to fund programs, our tireless and committed staff, our artist-teachers and artist-performers, and the infrastructure to keep facilities safe, clean, and comfortable for our guests.

Will you make a tax-deductible contribution to help us meet our goal and allow us to continue to provide incredible creative experiences in 2024 that bring us all together as a community? We can't do it without you!

With sincere gratitude and appreciation,
